The senior class begins a very active year by running a concession stand at the Klickitat County Fair. In the fall they also have their senior pictures taken and present a class play. As a fund raising project the class traditionally sells candy.

The class holds a Senior Ball and Senior Banquet in the spring and also participates in a Senior Day.

Last, but not least, on the senior agenda are Baccalaureate and Commencement.

Mr. Mitchell, Mr. Denny, Mrs. Linden, and Mr. Bond all served as advisors to the Senior class.

JUNIOR CLASS

The juniors highlight their year with a Junior Prom given in early winter. At this time the class usually chooses a queen and two princesses from its members.

Another big moment for the juniors is the selection and ordering of their class rings early in fall.

Throughout the year the class sponsors mixers and other various fund-raising projects.

In the spring the juniors present their class play.

The group also traditionally decorates for senior commencement and baccalaureate.

The main concern of the freshman class is to become adjusted to high school life. However, the Freshmen begin raising money for their class treasury which will be needed later in their high school life. The seniors welcome the newcomers by giving them a mixer to which they are admitted free of charge. The freshmen give their first mixer to honor the seniors.

Traditionally, the class sponsors a hayride for its members.

The Board meets second period of the first and third Tuesdays and has power to fill any vacancy occurring among the elective officers, appointing an acting officer until an election may be called. It nominates candidates for the positions of president, vice-president, and secretary, approves the nomination for treasurer upon recommendation by the principal, and maintains jurisdiction over all general student activities.

The Girls' League, composed of all girls in G.H.S., supports many school functions. Girls earn points by participating in those functions.

Each month the girls choose a "Girl of the Month." At the end of the year a "Girl of the Year" is elected from the three junior girls with the most points. A senior achieves a "Senior Award."

In fall the upperclass girls provide a party for the underclass girls. The members prepare a Thanksgiving basket for a needy family. Some of the girls go Christmas carolling.

In spring the girls sponsor a Tolo dance, and send five girls and the advisor to a Tri-State meeting held in Oregon, Washington or Idaho. They decorate and provide refreshments for the Mothers' Tea which is held every spring in conjunction with the Home Ec style show.

Its sponsor, the local Women's Club, gives the society an annual banquet each winter.

Activities include sponsoring a mixer and writing letters of invitation to alumni for Homecoming. This year the club plans to award a scholarship to a deserving graduating senior member at commencement.

This year's officers were David Carr, president; Carol Hewett, vice-president; and Kathy Graber, secretary-treasurer.

The boys, in conjunction with the Gold "G," also participate in the sale of basketball and football season tickets.

Different money raising events are held, with the money going into the club treasury to be used for the athletic department of GHS.

The primary aim of the Future Farmers of America is to train its members in better farming and management methods. Each boy is required to have a project, ranging from livestock or crops to home improvement. The members are also required to keep records of production costs and profits.

This year as a money raising project the group sponsored a Gingham and Denim Dance in the fall and will hold their annual barbecue in July. The barbecue is open to the public and is usually well attended.

In the spring the F.F.A. gives a parent and son banquet at which the boys review their year's work.

1961 Track Season

Goldendale opened the track season by losing a three way track meet at Moxee to White Swan and East Valley on March 17. Don Oxwang paced the Wolves, scoring 13 points and taking firsts in the 90-yard high hurdles and the 120-yard low hurdles.

The Wolves, in their second encounter of the year, met Granger, taking nine firsts and winning the meet with ease. In a four-way meet at Highland the Wolves placed second, with Don Oxwang and Larry Rafferty teaming up to finish 1-2 in the hurdle races.

Taking on White Swan at home, the Wolves won 72-61. Oxwang again won the high jump and broad jump and Albert Van Troba took the 880 run.

For the seventh time in ten years Goldendale won the Valley "B" meet title at Grandview on April 17. Oxwang set a new B-meet record in the 120 yard high hurdles, winning in 15.1 seconds. Goldendale next met a classy contingent from The Dalles and lost the dual meet by a score of 51-76.

In the sub-district meet the Wolves finished third, with the mile relay team taking first place. Qualifying for the District meet at Pasco were Don Oxwang, Larry Rafferty, Keith Thompson, Craig Dressel, Jim Whittom, Butch Carratt and Calvin Martin.

In their final meet of the year the Wolves garnered third place in the Highland Relays. Taking firsts were Oxwang, Van Troba, Fuqua, and Rafferty.
